NPS Job Description

Job Title	Quality and Effective Practice Manager
Directorate	National Probation Service
Band	NPS Pay Band 5

Overview of the job	The EPP division is responsible for supporting the NPS in improving the quality and effectiveness of Probation practice by overseeing the performance of the NPS and directly managing projects relating to learning, assurance and professional development, including the development of the professional registration framework. This is a strategic role within the National Probation Service (NPS). The Quality and Effective Practice Manager supports the Quality & Effective Practice Lead and/or Head of Function to provide a leading role within the unit in respect of quality and effective practice. Location is flexible, but will involve regular travel to London and some travel to other venues in England and Wales which may require some overnight stays
Summary	Quality and Effective Practice Managers will lead on the development of projects to improve the quality of work by frontline staff. The job holder will be expected to manage and lead projects within the functional area and provide support and cover to other teams/functions during periods of absence. In line with NPS policies and procedures, the job holder must at all times demonstrate a commitment to equality and inclusion and an understanding of their relevance to the work they do
Responsibilities, Activities & Duties	The job holder will be required to carry out the following responsibilities, activities and duties: • Provide effective leadership of projects relating to areas of probation practice including the design and co-ordination of internal quality assurance activities to demonstrate that offender managers manage risk appropriately and meet public protection standards. • Provide specialist effective practice knowledge and understand the changing nature of effective practice in accordance with emerging research. • Contribute to the development of Senior Probation Officers using specialist effective practice knowledge. • Lead national effective practice projects that support a programme of continuous improvement in consultation with operational colleagues across the NPS. • Work with divisional Performance & Quality Managers to promote best practice and practice improvement. • Proactively support staff development through production of guidance for delivery of effective practices across the service • Contribute to the organisation's response to external inspections and internal audits. • Support implementation of change in practices including working with divisions e.g. training and development • Contribute to effective practice through the development of processes that promote review, discussion and feedback • Promote a culture of innovation and continuous improvement to service delivery

	- Facilitate effective communication between the NPS and internal and external partners e.g. HMPPS, HMIP - Demonstrate pro-social modelling skills by consistently reinforcing pro-social behaviour and attitudes and challenging anti-social behaviour and attitudes - Deputise for the Quality & Effective Practice Lead as required - Promote the aims and values of the NPS and HMPPS and reinforce pro social modelling skills by reinforcing pro social behaviour and attitudes and challenging anti-social behaviour and attitudes. - Adhere to all policies in respect of the sensitive/confidential nature of the information handled whilst working in this position The duties/responsibilities listed above describe the post as it is at present and is not intended to be exhaustive. The Job holder is expected to accept reasonable alterations and additional tasks of a similar level that may be necessary. Significant adjustments may require re-examination under the Job Evaluation scheme and shall be discussed in the first instance with the Job Holder.
Behaviours	- Leadership - Communicating and Influencing - Delivering at Pace - Changing and Improving - Working Together - Seeing the bigger picture
Strengths	It is advised strengths are chosen locally, recommended 4-8
Essential Experience	- Substantial experience with a proven record of good practice in a variety of settings (including offender Management) as a Probation Officer or from working within another criminal justice agency or related work context - Experience of risk management and assessment of offenders, understanding of multi-agency risk assessment and management procedures - Evidence of ability to evaluate practice and provide effective feedback. - Evidence of ability to provide a practice perspective on policy development - Experience of contributing to the provision of effective administration and information systems - Demonstrable achievements in managing/supporting change and effecting improvements in quality and efficiency
Technical requirements	- Probation Qualification Framework Graduate Diploma/ Honours Degree in Community Justice integrated with Level 5 Diploma in Probation Practice. (Or) a qualification which was recognised at the time of qualification by the State for Justice as per Section 10 of The Offender Management Act 2007: The following qualifications gained in England and Wales were previously recognised as providing such eligibility: Diploma in Probation Studies, ; Diploma in Social Work (with Probation Option); CQSW (with Probation Option) - Understanding of the role of the Probation Service in the Criminal Justice System and in a multi-disciplinary setting. - Knowledge and understanding of the factors which influence engagement with offenders and victims. - Well developed IT skills, including evidence of ability to interpret and apply performance reports
Ability	

Minimum Eligibility	• All candidates are subject to security and identity checks prior to taking up post. • All external candidates are subject to 6 months' probation. Internal candidates are subject to probation if they have not already served a probationary period within HMPPS. • All staff are required to declare whether they are a member of a group or organisation which HMPPS consider to be racist.
