PS Job Description

Job Title	Treatment Manager
Directorate	Probation Service
Band	4

Overview of the job	<p>The Treatment Manager will have responsibility for the quality oversight, facilitation and delivery of Accredited Programmes and Structured Interventions which address offending behaviour to meet the requirements of the sentence of the court.</p> <p>The role will be regionally based reporting directly to a Programme Manager for their area.</p> <p>They will have no direct line management responsibility but will provide professional supervision to Programme Facilitators within the region and professional advice to improve performance, skills and development opportunities.</p>
Summary	<p>The Treatment Manager is responsible for ensuring that Programme Facilitators deliver programmes in accordance with the Accredited Programme manual and session content requirements for a range of programmes, this will be done through video monitoring, feedback and group supervision.</p> <p>The job holder will provide 'On Call' cover for referral enquiries and staff support in accordance with a rota that provides support when intervention programmes are scheduled including evenings and weekends.</p>
Responsibilities, Activities & Duties	<p>The job holder will be required to carry out the following responsibilities, activities and duties:</p> <ul style="list-style-type: none"> • Responsible for the quality of delivery of interventions which includes all tasks associated with the support of Accredited Programmes and Structured Interventions including post programme work by Programme Facilitators to ensure all Programmes are monitored as prescribed • Responsible for providing professional supervision including session monitoring to support the development of skills and maintain the integrity of service delivery • To provide advice, information, training and consultancy as required to staff and external organisations including Practitioners and Court staff to ensure that eligibility and suitability criteria are understood • Responsible for managing the risks presented by people on Probation whilst subject to an Accredited Programmes or Structured Interventions requirement and ensuring that relevant information is exchanged with the Probation Practitioners as required • To co-ordinate, monitor and review the planning and preparation for delivering programmes in accordance with the Programme Schedule including suitability assessments and managing waiting lists • Responsible for the continuous assessment and support of Programme Facilitators in the development of the skills required to deliver programmes, monitor and identify individual performance through Treatment Management and report under-performance or poor quality to the Programme Manager • Oversee the management of risk during programmes delivery and ensure that relevant information is exchanged with Probation Practitioners in a timely manner • To contribute to and maintain a log of nationally agreed changes to the accredited programme manuals and ensure their implementation • To deliver accredited and non-accredited programmes where required to maintain accreditation

	The duties / responsibilities listed above describe the post as it is at present and is not intended to be exhaustive. The job holder is expected to accept reasonable alterations and additional tasks of a similar level that may be necessary. Significant adjustments may require re-examination under the Job Evaluation Scheme and shall be discussed in the first instance with the job holder.
